## Standard vs. Optional Replacement Value Coverage

*Please Read This Page in its Entirety and Complete the Section for the Option You Select Below*

### Option I. Election to Purchase Optional Replacement Value Coverage

Note: All movers licensed by the state of Texas have a **basic standard liability of \$0.60 per pound per article**. This means if your 100 pound sofa is damaged, your mover is liable for a maximum reimbursement of only \$60. Although your mover cannot reduce his liability below \$0.60 per pound per article, he may agree in writing to assume a higher level of liability. Apple Moving offers the following replacement value coverage options below. If you would like to purchase our optional replacement value coverage that protects you beyond our standard coverage limit of \$0.60 per pound per article, please complete the following form:

| Coverage                           | Printed Name | Signature |
